VELOX Composites announces strategic distribution partnership with Ashland for Sweden, Norway and Denmark

Hamburg, 30.10.2018

VELOX, an IMCD company, today announced that it has entered into a strategic distribution partnership with Ashland for Sweden, Norway and Denmark, effective from 12th December 2018.

The agreement includes Ashland's complete product range of unsaturated polyester resins, gelcoat and bonding pastes, epoxy vinylesters, fire retardant resins, speciality resins and low profile additives.

'We are delighted to expand our partnership with Ashland into the Nordics region. This addition, enhances our efforts to continue to delivery on our strategy and create value for our customers within this region', commented Serge Gradys, Business Unit Manager Composites.

All customers concerned with this change have been informed by VELOX and will receive continuous support.

About VELOX GmbH:

VELOX GmbH is a leading pan-European distributor of raw material specialities and solutions provider for the plastics, composites, additives, rubber, paints and coatings industries.

Founded in 1993, VELOX is headquartered in Hamburg, Germany. The company has 21 offices throughout Europe and employs over 230 experienced employees to support its customers across Europe and beyond. As of September 2018, VELOX is an IMCD company.
